

# Youth Workers Capacity-Building & Circular Economy

Project Result: Awareness Raising & Capacity Building Seminars

## Project Summary

SYnC project focused on **empowering youth workers** through a **Guidebook** and engaging seminars. Participants learned about **circular economy**, **entrepreneurship**, and innovative teaching methods!

## Participant Overview

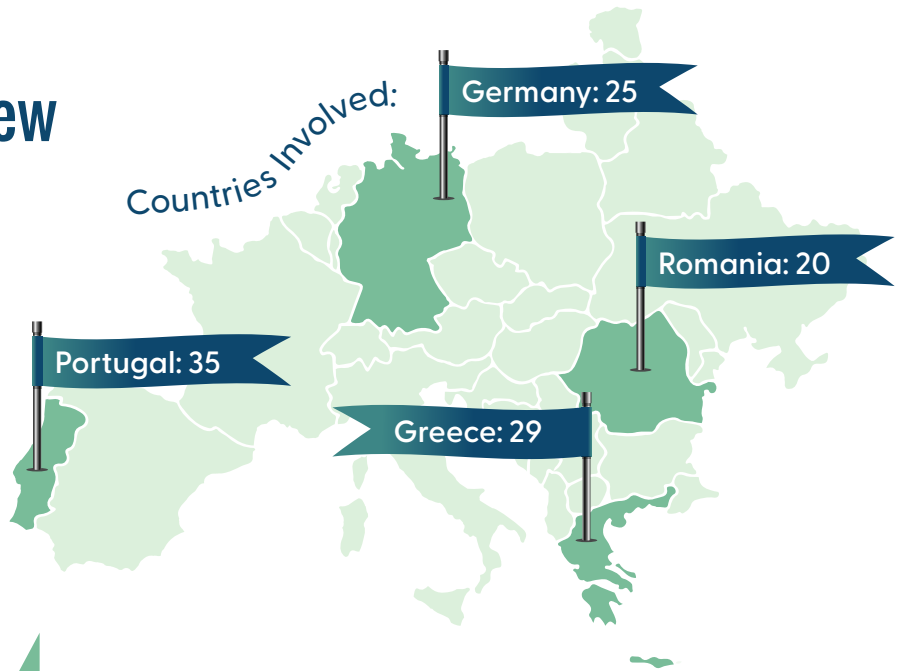

Total Participants: **109**

### Diverse Backgrounds:

- Educators,
- NGO Representatives,
- Environmentalists,
- Entrepreneurs

Countries Involved:

## What Participants Said

*Very good, it was a source of activity ideas we can use with students!*

*I gained more knowledge about entrepreneurship!*

*Circular economy concepts were interesting and new to me.*

## Key Outcomes

**97%**

of participants **understood circular economy** concepts after the seminars!

**95%**

felt **motivated** to apply what they learned in their work!

**98%**

agreed the activities were **engaging** and well-designed.

## Seminar Highlights

- Practical exercises, **design thinking**, and **creativity** building were central!
- New **project ideas** for youth work, including **fundraising** and behavior change.

### Key Takeaway:

*"Even in small things, circular economy principles apply."*

## Suggestions for Improvement

Add more on **mind maps** & clearer guidance for **funding** strategies.

## Final Thoughts

The seminar was a **hit!** Participants felt informed, motivated, and ready to introduce **circular economy** ideas into their daily work. The guidebook was praised for its **practicality** and **clear structure**—a valuable resource for youth workers worldwide.
